Check out these scenic photo spots and insta-worthy places in the Mandurah area.

1. BLUE SWIMMER CRAB – 3D ART PAINTING

Location: East end of Mandurah Bridge, corner of Pinjarra Road and Mandurah Terrace

Definitely the safest and one of the most fun ways to pose with Mandurah's famous blue swimmer crabs. This interactive street art was created by Australia's most highly awarded pavement artist Jenny McCracken. Take a photo from the footprint for the best 3D effect. See back page for more instructions.

2. FLORAL SWING MURAL

Location: Tuckey Lane (Between 5 and 8 Mandurah Terrace)

Thanks to the community-run organisation Shape Mandurah, this laneway was transformed into a Mandurah Instagram hotspot. Don't forget to get your photo taken here.

3. THE HEART

Location: Eastern Foreshore

Mandurah was known as Mandjoogordap in Noongar language, which translates as 'meeting place of the heart'. After European settlement, the name was adapted to Mandurah. No visit to Mandurah is complete without a photo in the aluminium heart sculpture which was designed by local artist Gary Aitken.

4. MARINE WILDLIFE 3D ART PAVEMENT PAINTING

Location: In front of the Mandurah Visitor Centre, 75 Mandurah Terrace

A remarkable depiction of Mandurah's abundant marine wildlife seen jumping out from the pavement. Take a pic from the right spot and share your pic of this masterpiece created by 3D pavement artist Jenny McCracken. Don't forget to hashtag #visitmandurah

5. THE FRAME

Location: Boardwalk, near Mandurah Boat & Bike Hire, Ormsby Terrace

Designed by local artist Gary Aitken in 2005, this aluminium sculpture encourages you to interact by framing your view.

6. COLOURS OF MANDURAH

Location: Between Ormsby Terrace and Keith Holmes Reserve

The colours that make up this colourful walkway have been chosen by locals, inspired by their connections to Mandurah. Artist Will Clark of Blank Walls has created the most vibrant of paths, linking Mandjar Square to Mandurah Ocean Marina in just 250 steps.

7. THE BOARDWALK @ DQ

Location: Dolphin Quay, Zephyr Mews, Mandurah Ocean Marina

Get your photo with a giant western rock lobster, shark, bottlenose dolphins or blue swimmer crabs at Dolphin Quay. It's a fun way to spend time while your food is being cooked.

8. PELICAN – 3D ART

Location: Dolphin Quay, corner Dolphin Drive and Spinnaker Quays

Did you know that an adult pelican may eat up to 1.8 kilograms of fish per day? Well, this one is particularly hungry and clearly doesn't like to share! Get creative here and snap another fun pic. See back page for instructions.
