

Experience the magic of Christmas wandering through the lights trail in the heart of Mandurah. Pick a path with these selected trails or choose your own lights trail adventure.

Family fun

Look for the big Santa on the Eastern Foreshore and visit the playground for some fun. Have a picnic as the sun sets and keep an eye out for the glistening train and VW bus nearby. Don't forget to grab some ice-cream before heading home.

By boat

See the magic of Christmas in Mandurah, from the water!

Not only can you experience all the Mandurah Christmas Light Trail has to offer but boats get bonus lights. We've got the largest display of canal lights in the country.

Picture perfect

Once the light is right, get snapping! Wish upon a (selfie) star and work your way past the glistening lights along the foreshore and into the marina. Call into a venue along the way for a cheeky drink.

Walk the trail

Don't miss a thing with a 30-40 minute walk from one end of the Christmas Lights Trail to the other. Start at #1 in Smart Street Mall and follow the lights all the way to #30 in the marina. Stop on the way for a bevvy or bite to eat.
